

Quality Care – Anytime, Anywhere

Connect with a doctor from your phone, tablet, or computer 365 days a year, 24/7.

A Doctor's Touch at the Touch of a Button

Through live video, meet with a board-certified doctor anytime you need, all from the comfort of your home. The doctor can discuss your medical and/or mental health history, review symptoms, and recommend treatment. These services are completely covered by your health plan – you pay nothing out of pocket!*

What's more, your primary care physician (PCP) can receive relevant notes from Doctor On Demand® regarding your appointment to better coordinate your care. Check with your PCP at your next visit.
