## Business Manager ~ Financial Secretary Report

### VACATION FUND

The first distribution of the Vacation Account checks will be completed by the end of November. The check will include the .50 per working hour benefit that has been received by Local 7 between May 1st and October 31st. Keep in mind that this benefit officially started on May 1st, so this first check does not include April benefits that were received in May. It is likely your first check will be slightly smaller than all subsequent checks however it will catch up naturally. The next disbursement will be by the end of May and will include working hours received between November 1st and April 30th.

It is very important that the Local 7 offices have your updated information as these payments will be physical checks and mailed only. There are no direct deposit or deferment options.
